**USA CARES**

**VETERAN & FAMILY SUPPORT SYSTEM**

After losing my husband, SSgt Luis P. De La Cruz Jr., to suicide my world was shattered. But during that darkness, USA Cares became more than just a lifeline—it became family. This card is extra special because the artwork was created by our daughter, Evie.

Because of your help, USA Cares can continue to provide life changing aid and resources, and positively impact numerous other veterans and military families. This holiday season, we are reminded of the incredible impact made possible by compassionate individuals like you. Thank you for your generosity and kindness.

Merry Christmas and Happy Holidays,  
Victoria E. & Evie De La Cruz
